At the Park

13

I like to go up and down. Can you do

24

that? It is fun to play that way. At the park,

35

I can go on the swings. At first, I could not

42

swing by myself, but now I can.

50

My mom said, “Please do not go too

60

high!” She is afraid I will get hurt. After I

69

stop, my mom said I can play for two more

71

minutes.

78

I really don’t know how long two

88

minutes is, so I just play until she says it’s

91

time to go.
