- 5 Dr. Johnson,

My daughter's school has provided these forms for you to fill out
for my daughter, Janice Wilson. She continues to be good health.
She would like to try out for the volleyball team at her school.
Would you be so kind as to complete these forms after finishing
her physical examination? They are required in order for her to
participate in tryouts as well as be a member of the team. She is
so looking forward to this opportunity.

97 Jennifer and I appreciate your taking the time to do this. If the
109 forms can be mailed to our home at the following address, that
123 would be best, or I can pick them up from your office when they
125 are ready.

- 135 If you have any questions, I can be reached at
- 145 555-780-3497.
- 148 Thanks very much,

Jennifer Wilson
